Incidentally, this is the year, Mr. and Mrs. Hawkins celebrate their 30th wedding anniversary. They have two children and four grandchildren.

KIH celebrants

Each year, KIH plays tribute to its anniversary celebrants by recognizing them with a luncheon and presenting them with service pins. It's K mart way of saying thanks for all of the years of loyal service, be it five or 50 years. Good employees are the backbone of any company.

This year the total number of years present at the KIH luncheon was 4,972 which is 528 more than last year.

As of December 31, 1982, for the company as a whole there will be 5,046 persons who have celebrated 25 years with the company.

The service pin award program started in 1946 and was presented at breakfast for the first three years. Then, in 1949 the luncheon program was instituted.

This year, the following number of service pins will be given out company wide:

| PINS | NUMBERS |
